

EMPLOYMENT OPPORTUNITIES

The Bank of Tanzania, Tanzania's central bank, is looking for suitably qualified Tanzanian citizens of high personal integrity to fill the following vacant positions at its Head Office, Dar es Salaam:

1. ECONOMIST III/II- DIRECTORATE OF ECONOMIC POLICY (2 POSITIONS)

Reports to: Head of Division/Section

Purpose of the Job: This position provides an important link between macroeconomic behaviour and relevant policy measures within the mandate of the Bank of Tanzania. It should therefore, timely and accurately, inform the Bank of Tanzania about current and future behaviour of relevant macroeconomic aggregates; while at the same time provide advice on appropriate policy responses with a view to achieve and maintain price stability.

Duties and Responsibilities:

- To collect and compile economic statistics for various purposes;
- To analyse and interpret various economic statistics with a view to generate monetary, financial as well as general economic reports, including various publications.
- To conduct studies on specified economic matters that are relevant to policy and contribute positively in achieving the Bank of Tanzania research agenda.
- To perform any other related duties as assigned by supervisors from time to time.

Required Competences and Experience:

- Knowledge in macroeconomics, competence in monetary and fiscal matters will have an added advantage.
- Ability to communicate clearly and logically in writing and verbally often in contentious situations.
- Strong interpersonal skills.
- Ability to work independently, accurately and to tight schedules.
- Computer literacy.

Education/Professional Qualifications:

- Masters of Arts/Masters of Science in Economics from a reputable University.
- PhD. Economics with a bias in Macroeconomics will be an added advantage.

Age Limit

Age not above 40 years for PhD holders and not above 35 years for Masters' degree holders

Specific Job Requirements:

Ability to work beyond normal business working hours and meet deadlines

Personal Attributes

- Team player with the ability to work independently.
- Self motivated, able to remain calm under pressure.
- Resilient
- Committed to deliver work of a high standard.

REMUNERATION:

A competitive remuneration package will be offered to successful candidates. The entry point will depend on qualifications and relevant work experience.

MODE OF APPLICATION:

All applications must include a detailed Curriculum Vitae (CV) with e-mail address, a reliable postal address and telephone numbers, copies of relevant certificates/testimonials/transcripts, and names of two professional referees.

All educational/professional certificates must be from accredited institutions which are recognized by the Tanzania Commission for Universities (TCU), the National Council for Technical Education (NACTE), the National Examinations Council of Tanzania or other relevant bodies.

Applications must be addressed to:

**Deputy Governor (AIC),
Bank of Tanzania,
P.O. Box 2939
Dar es Salaam.**

CLOSING DATE:

Three weeks after the first appearance of this advertisement in newspapers.

NB: Only short-listed applicants will be contacted.
